

CX300.1 Mono Amplifier

The CX 300.1 Mono Amplifier is a small, yet powerful and affordable amp.

Using a Class D power plant, this amp features a variable bass boost with KickEQ™, giving you as much as a 12dB of extra bump. A powerful 12dB crossover is included, letting you quickly tune your system to perfection. Use the full range outputs to expand your system with other bass amps, or a full range amp to complete your system.

This CX amplifier delivers as much as 300 watts into one channel. See below for more details.
