

CX600.1 Mono Amplifier

The CX 600.1 Mono Amplifier is built for big bass in a sleek, yet affordable package.

Using a Class D power plant and FIT™ (Failsafe Integration Technology) for superior dependability, this amp features a variable bass boost with KickEQ™, giving you as much as a 12dB of extra bump with a simple turn of the optional CXRC Remote Bass Controller. Use the full range outputs to expand your system with other bass amps, or a full range amp to complete your system.

This CX amplifier delivers as much as 600 watts into one channel. See below for more details.
