

# MINI Speakers

---

KICKER® PS speakers are designed by bike riders and powersports enthusiasts. Designed specifically to sound good and last through every kind of weather, these drivers are the perfect solution for motorcycles, ATV's.

## Resistant & Efficient

The PSM Mini 2Ω Enclosed Speakers are built for excellent sound on your ATV or motorcycle handlebars.

These weatherproof speakers come in durable chromed enclosures, complete with handlebar mounting hardware. Add a PXA amplifier for a complete system, meant for rough roads, and rougher trails.

These PSM speakers work best with 50 watts of recommended power. See below for more details.
