Capacitive Touch Panel

Clear glass display with swipe functionality provides superior picture and touch panel control.

Customizable Multi Widget

Customize your Home Screen by selecting four shortcut/information widgets. Widget options can include album art, clock, compass, photo frame, visualizer, and more.

Wireless Mirroring for Android

Solution for seamlessly displaying and controlling your smartphone apps on a screen without cables on select Android devices.

Music Mix

Up to 5 Bluetooth® devices can be paired to the receiver at the same time. You can enjoy audio streaming just by switching the devices with your friends or family.

Dual Phone Connection

While you are connected through Bluetooth, with a touch of a button you can switch between two phones.

Remote App

A smartphone application can control most basic functions of the receiver over the Bluetooth connection of the paired phone (iPhone or Android).

Wireless Music Browsing (AVRCP 1.5 / 1.6)

Search and select songs from your music collection through a Bluetooth connection.

High Quality Sound Parts

High quality sound parts (custom-made or carefully selected capacitor, gold plated preout, etc) are adopted to provide superior sound quality.

Graphic EQ / Digital Time Alignment

13-Band equalizer and DTA gives optimal tuning enhancements for listeners.

FLAC Supported

Compatible with various audio file formats from high-res FLAC and WAV, to MP3, WMA and AAC.

Dash Cam Ready

Dash Camera (DRV-N520) can be controlled and viewed from the touchscreen.

3 Camera Inputs

Optional camera connection method for up to 3 cameras in various configurations.

Parking Guide Lines

Parking guide lines (requires installation of compatible backup camera) that enhance the effectiveness of a backup camera.

DUAL USB

Multiple USB ports provide additional inputs for music sources or smartphone battery charging.
