Android Auto™ – Connect via USB

Android Auto was designed with safety in mind. With a simple and intuitive interface and powerful voice actions, it's designed to minimize distraction so that you can stay focused on the road. With the latest ANDROID OS version (PIE and higher), Google Maps™ and Waze™ are also supported.

Some Features, applications, and services are not available in all areas.
For details, see: www.android.com/auto

Apple CarPlay™ – Connect via USB

A smarter, safer and more fun way to use your iPhone in the car. Apple CarPlay gives iPhone users an intuitive way to make calls, use Maps, and listen to music with just a word or a touch. With the latest iOS version (iOS 12.0 and higher), 3rd party navigation apps like Google Maps™ and Waze™ are supported.

Some features, applications, and services are not available in all areas.
