

# Mighty Mount M4540W

Simpl Cradle - Dash & Windshield Mount

- **Cradle feet and Adjustable Holder Grips** secure your phone like a fortress for the most durable, no-slip grip you can count on.
- **Universally compatible** with an adjustable cradle of 2.1-3.9 inches for the biggest of smartphones or cases.
- **Wide range of tilt and rotation** means you can always have the perfect view of your screen, whether you're reclined in cruise control or up-front and center.
- **Adjustable arm** delivers both normal and low angles suited for your dash or windshield preference, so you get immediate convenience instead of craning your neck.
- **Super-strong Suction Base with gel pad** ensures your mount stays put through even the roughest and toughest of bumps in the road.
- **Talk and drive safely** with hands-free connectivity that offers ultimate security for you and your passengers while you enjoy the journey.
