

DPX794BH

Music Mix
Up to 5 Bluetooth® devices can be paired to the receiver at the same time. You can enjoy audio streaming just by switching the devices with your friends or family.

Dual Phone Connection
While you are connected through Bluetooth, with a touch of a button you can switch between two phones.

FLAC Supported
Compatible with various audio file formats from high-res FLAC and WAV, to MP3, WMA and AAC.

Graphic EQ / Digital Time Alignment
13-Band equalizer and DTA gives optimal tuning enhancements for listeners.

Remote App
A smartphone application can control most basic functions of the receiver over the Bluetooth connection of the paired phone (iPhone or Android).

Wireless Music Browsing (AVRCP 1.5 / 1.6)
Search and select songs from your music collection through a Bluetooth connection.

Drive EQ
Boosts specific frequencies in the audio signal to overcome the negative impact of road noise.

DUAL USB
Multiple USB ports provide additional inputs for music sources or smartphone battery charging.

Android Rapid Charge
Rapidly charge your compatible Android smartphone with the USB port, up to a maximum of 1.5A.

Variable Color Illumination
Bright variable color LEDs can be adjusted to match any color dash lighting.
