

# Memphis MXASB20V3 – 20in Soundbar

Memphis Xtreme Soundbars are the best performance powersports soundbar on the market. This new and improved soundbar now features FM radio built in and an upgraded source unit and aggressive new grill style. The passive radiator maximizes the bass response of the soundbar for rich full sound on the trails. Each bar consists of 2 tweeter and 4 midranges housed in a self powered plug and play soundbar. Simply bolt on, hook up the power and ground wires and hit the trails. Controlling the MXASB20V3 sound bar is simple courtesy of the onboard Bluetooth system allowing you to tuck your phone or device away safely and control your music on wet and muddy rides. Our soundbars are equipped with 2-channel outputs allowing you to expand your system with additional audio components. Our reinforced clamp fits any bar between 1.25"-2.5" and is trail tested to handle the most extreme conditions.
